Kowshik Sravanam

B.Tech 1st-Year Student at NIAT | Aspiring AI Engineer Student
Rajahmundry Urban mandal, Andhra Pradesh, India

Summary

I'm a first-year B.Tech student at NIAT, passionate about Artificial Intelligence, Python programming, Web Development, and Generative AI.I'm currently building my technical foundation through hands-on learning, personal projects, hackathons, and ideathons.
I enjoy exploring how technology can solve real-world problems and creating projects that go beyond classroom learning.Areas I'm exploring:- Python programming- HTML, CSS, and Web Development- Generative AI and AI-powered applications- Problem-solving and project developmentMy goal is to grow into an AI Engineer, collaborate with like-minded developers, and gain practical experience through internships and real-world projects.I'm always open to learning opportunities, collaboration, and connecting with people in technology.Let's connect and build something meaningful!
